

Synopsis

AFGHANISTAN ENGINEER DISTRICT SOUTH (AES) Firm Fixed Price Contract for Afghan National Police (ANP), Regional Police Training Center (RPTC) in Shindand Province, Afghanistan

W5J9LE-11-R-0040

2 March 2011

The project consists of the specified site-adaptation, site and infrastructure design and construction for/of a new campus facility for the Afghanistan National Police (ANP), Regional Police Training Center (RPTC) in the Shindand, Herat Province, Afghanistan. The RPTC is an ANP Police Training Establishment which will house approximately 3,000 personnel consisting of trainees and staff. Site is located approximately 100 km South of Herat City, the Provincial Capital of Herat Province and 24 km Northeast of Shindand Bazaar in Shindand, Herat, Afghanistan. The site is approximately 4,000,000 square meters. The project is defined as the design, material, labor, and equipment to construct buildings, parking, utilities and other infrastructure for a design population of 3,000 people unless specified otherwise. Design drawings of all facilities will be provided as part of the solicitation. Site work and related design shall be accomplished by the contractor. The work within this contract shall meet and be constructed in accordance with current U.S. design and International Building Codes (IBC), Life Safety Codes (NFPA-101), Force Protection and security standards. The Government intends to make one award as a result of this solicitation. Award of a contract will be made to the responsible offeror who submits the lowest priced, technically acceptable proposal that is both realistically and reasonably priced for the work to be performed. Offers will be evaluated in accordance with the evaluation criteria stipulated in the solicitation. An offeror may not receive award, even if it has the lowest-priced, technically acceptable proposal, if its price proposal fails to demonstrate that it understands the scope of work required by the solicitation. The applicable NAICS code is 236220 (\$33.5M small business size standard). The resulting contract is for 540 days. The magnitude of this project is between \$25M and \$100M. The options may be exercised at the discretion of the Government. Offerors are asked to submit their expression of interest on or before 18 March 2011, to the point-of-contact via email. The point-of-contact for this procurement is Adrian Gavins, Contracting Specialist, USACE-AES, APO AE 09355. You may reach Mr. Gavins at 540-667-6581 or via email at adrian.o.gavins@usace.army.mil.

Requirements: DFAR 252.204-7004 Required Central Contract Registration (CCR) applies to this procurement. U.S. prospective contractors must be registered in the Department of Defense CCR database prior to award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <http://www.ccr.gov>. Electronic copies of the solicitation will not be accepted.
